Practice for the Regents exam right now, instantly, conveniently, efficiently and effectively with Chemistry Regents Exam on PowerPoint. The entire January 2017 Biology Regents - Living Environment Exam transformed into a spectacular PowerPoint slide, with answers right after each question, and Reference Tables were needed. With this resource, teachers and students will have a powerful resource that will make Regents practice ? convenient ? effective ? efficient ? engaging ? exciting ? time-saver, and ? lead to higher Regents grades NOTE: This Google Play Book version is not interactive because it is not on PowerPoint. The interactive PowerPoint version can be downloaded from: <https://www.teacherspayteachers.com/Store/E3-Scholastic/Search?Regents+powerpoint+spectacular> This Google Play version of the Regents exam is great for practicing anytime and anywhere without the need for your book and reference table. It's all on the slides. This has never been done before, and there's no resource like it out there. Be the first in your school to use this for your Regents prep. I created this product originally on PowerPoint because I was frustrated with using pdf download of the exams to review with my students. Here are some key features that make this resource on PowerPoint a much better alternative to just using pdf. 1. Each Regents Question on an Individual Slide. 2. All Information, Table, Diagram, and/or Graph of a Question Are on the Same Screen. 3. Correct Multiple-Choice Answer or Acceptable Constructed Response Answers to a Question is Revealed with Just a Click or Touch. 4. Spectacular Background Images and Flashy Borders. 5. Beautiful Cinematic Wide Screen View on Media Projectors and Mobile Devices. I will have Regents on PowerPoint available for the following exams: Biology: August 2017, June 2017, January 2017, August 2016 and June 2016 Chemistry: August 2017, June 2017, January 2017, August 2016 and June 2016 Earth science: August 2017, June 2017, January 2017, August 2016 and June 2016 Please leave me your rating and comment. Thanks.

They change color depending on their mood. They possess uniquely adapted hands and feet distinct from other tetrapods. They feature independently movable eyes. This comprehensive volume delves into these fascinating details and thorough research about one of the most charismatic families of reptiles-Chameleonidae. Written for professional herpetologists, scholars, researchers, and students, this book takes readers on a voyage across time to discover everything that is known about chameleon biology: anatomy, physiology, adaptations, ecology, behavior, biogeography, phylogeny, classification, and conservation. A description of the natural history of chameleons is given, along with the fossil record and typical characteristics of each genus. The state of chameleons in the modern world is also depicted, complete with new information on the most serious threats to these remarkable reptiles.

Always study with the most up-to-date prep! Look for Let's Review Regents: Living Environment, ISBN 9781506264783, on sale January 05, 2021. Publisher's Note: Products purchased from third-party sellers are not guaranteed by the publisher for quality, authenticity, or access to any online entities included with the product.

The Incas is a captivating exploration of one of the greatest civilizations ever seen. Seamlessly drawing on history, archaeology, and ethnography, this thoroughly updated new edition integrates advances made in hundreds of new studies conducted over the last decade. • Written by one of the world's leading experts on Inca civilization • Covers Inca history, politics, economy, ideology, society, and military organization • Explores advances in research that include pre-Imperial Inca society; the royal capital of Cuzco; the sacred landscape; royal estates; Machu Picchu; provincial relations; the Khipu information-recording technology; languages, time frames, gender relations, effects on human biology, and daily life • Explicitly examines how the Inca world view and philosophy affected the character of the empire • Illustrated with over 90 maps, figures, and photographs

Designed for students to use in the classroom or at home to study and prepare for the New York State Regents exam on global studies.
