First in the ground-breaking HUNGER GAMES trilogy, this new foiled edition of THE HUNGER GAMES is available for a limited period of time. Set in a dark vision of the near future, a terrifying reality TV show is taking place. Twelve boys and twelve girls are forced to appear in a live event called The Hunger Games. There is only one rule: kill or be killed. When sixteen-year-old Katniss Everdeen steps forward to take her younger sister's place in the games, she sees it as a death sentence. But Katniss has been close to death before. For her, survival is second nature.

This Special Edition of The Hunger Games includes the most extensive interview Suzanne Collins has given since the publication of The Hunger Games: an absorbing behind-the-scenes look at the creation of the series; and an engaging archival conversation between Suzanne Collins and YA legend Walter Dean Myers on writing about war. The Special Edition answers many questions fans have had over the years, and gives great insight into the creation of this era-defining work. In the ruins of a place once known as North America lies the nation of Panem, a shining Capitol surrounded by twelve outlying districts. The Capitol keeps the districts in line by forcing them all to send one boy and one girl between the ages of twelve and eighteen to participate in the annual Hunger Games, a fight to the death on live TV.Sixteen-year-old Katniss Everdeen regards it as a death sentence when she steps forward to take her sister's place in the Games. But Katniss has been close to death before-and survival, for her, is second nature. Still, if she is to win, she will have to start making choices that weigh survival against humanity and life against love.

The greatly anticipated final book in the New York Times bestselling Hunger Games trilogy by Suzanne Collins.

Ambition will fuel him. Competition will drive him. But power has its price. It is the morning of the reaping that will kick off the tenth annual Hunger Games. In the Capitol, eighteen-year-old Coriolanus Snow is preparing for his one shot at glory as a mentor in the Games. The once-mighty house of Snow has fallen on hard times, its fate hanging on the slender chance that Coriolanus will be able to outcharm, outwit, and outmaneuver his fellow students to mentor the winning tribute. The odds are against him. He's been given the humiliating assignment of mentoring the female tribute from District 12, the lowest of the low. Their fates are now completely intertwined - every choice Coriolanus makes could lead to favor or failure, triumph or ruin. Inside the arena, it will be a fight to the death. Outside the arena, Coriolanus starts to feel for his doomed tribute. . . and must weigh his need to follow the rules against his desire to survive no matter what it takes.

The second book in Suzanne Collins's phenomenal and worldwide bestselling Hunger Games trilogy.

The hilarious instant New York Times bestseller, The Hunger Pains is a loving parody of the dystopian YA novel and film, The Hunger Games. Winning means wealth, fame, and a life of therapy losing means death, but also fame! This is The Hunger Pains. When Kantkiss Neverclean replaces her sister as a contestant on the Hunger Games—the second-highest-rated reality TV show in PeaceLand, behind Extreme Home Makeover—she has no idea what to expect. Having lived her entire life in the telemarketing district's worst neighborhood, the Crack, Kantkiss feels unprepared to fight to the death while simultaneously winking and looking adorable for the cameras. But when her survival rests on choosing between the dreamy hunk from home, Carol Handsomestein, or the doughy klutz, Pita Malarky, Kantkiss discovers that the toughest conflicts may not be found on the battlefield but in her own heart. . . which is unfortunately on a battlefield.

The ultimate companion guide to the blockbuster Hunger Games trilogy For all those who adore Katniss and Peeta, and can't get enough, this companion guide to the wildly popular Hunger Games series is a must-read and a terrific gift. Go deeper into the post-apocalyptic world created by Suzanne Collins than you ever thought possible—an alternative future where boys and girls are chosen from twelve districts to compete in "The Hunger Games," a televised fight-to-the-death. When sixteen-year-old Katniss learns that her little sister has been chosen, Kat steps up to fight in her place—and the games begin. This unauthorized guide takes the reader behind the stage. The Hunger Games Companion includes fascinating background facts about the action in all three books, a revealing biography of the author, and amazing insights into the series' main themes and features—from the nature of evil, to weaponry and rebellions, to surviving the end of the world. It's everything fans have been hungereing for since the very first book! This book is not authorized by Suzanne Collins, Scholastic Press or anyone involved in the Hunger Games movie.
