In 2000, Geoff Johns redefined THE FLASH for a new generation. Now you can re-experience his unforgettable five-year run in these stunning tales of Wally West, The Fastest Man Alive! When the Flash breaks through space and time to reach a parallel Earth, it mirrors our own--except for one big difference: there is no Speed Force. Disconnected from the energy source that powers all super-speedsters, this is a world where The Flash never existed, and has become deadly for anyone who wears a mask. Powerless and hunted by the law, the only way Wally West can survive and escape is to accept help from those he trusts the least--his own Rogues Gallery! This first volume in THE FLASH BY GEOFF JOHNS series collects THE FLASH #164-176 and THE FLASH: IRON HEIGHTS featuring art by Angel Unzueta, Scott Kolins and Ethan Van Sciver.

The Flash races out of BLACKEST NIGHT and into the first graphic novel collection of his new monthly title written by comics hottest writer Geoff Johns (BLACKEST NIGHT, GREEN LANTERN). The all-new adventures of The Fastest Man Alive start with "Case One: The Dastardly Death of the Rogues!" Barry Allen, The Flash, runs back to his life in Central City, but when one of the Rogues turns up murdered under mysterious circumstances, it's up to The Fastest Man Alive to not only solve this bizarre crime, but protect those that are still targeted by the elusive killer. This storyline ties directly into BRIGHTEST DAY, the direct follow-up to the biggest comics event of 2009, BLACKEST NIGHT. Collects THE FLASH #1-6 and THE FLASH SECRET FILES 2010!
