Capitalism and Antislavery. British Mobilization in Comparative Perspective. Seymour Drescher. Description. The age of British abolitionism came into consolidated strength in 1787-88 with the first mass campaign against the slave trade and ended just half a century later in 1838 with a mass petition movement against Negro Apprenticeship.

Capitalism and Antislavery - Seymour Drescher - Oxford ...

Presenting a major reassessment of the roots, nature, and significance of Britain's successful struggle against slavery, he illuminates a novel turn in the history of antislavery, when for the first time, the most effective agents in the abolition process were non-slave masses, including working men and women. This not only set Britain off from ancient Rome, medieval western Europe, and early modern Russia, but, in scale and duration, it distinguished Britain from its 19th-century ...

The Father of Capitalism and the Abolition of Slavery. It has become a common trope that slavery and the slave trade is responsible for the industrial revolution, if not our entire modern prosperity. Slavery is often called capitalism's " dark side ". A recent column in the Guardian claimed the slave trade " heralded the age of capitalism " and Guardian columnist George Monbiot said on Twitter: "The more we discover about our own history, the less the 'trade' on which ...

The Father of Capitalism and the Abolition of Slavery ...

liams, in a tour de force, *Capitalism and Slavery* (1944), argued that economic, not humanitarian, concerns motivated the destruction of colonial slavery. The Atlantic slave trade had played midwife at the birth of British capitalism, which in turn played pallbearer to the slave trade and slavery. Rendered vulnerable by

Capitalism and antislavery: British mobilization in ...

In *Capitalism and Slavery*, Eric Williams argued that the declining economies of the British West Indies led to the abolition of the slave trade and of slavery. More recent research has rejected this conclusion; it is now clear that the colonies of the British Caribbean profited considerably during the Revolutionary and Napoleonic Wars.

Eric Williams - Wikipedia

Capitalism and Slavery is the published version, first appearing in 1944, of the doctoral dissertation of Eric Williams, who was the first Prime Minister of Trinidad and Tobago in 1962. It advances a number of theses on the impact of economic factors on the decline of slavery, specifically the Atlantic slave trade and slavery in the British Empire, from the second half of the 18th century. It also makes criticisms of the historiography of the British Empire of the period: in particular on the us
