Political Philosophy Books*

...

Contemporary political philosophy (the subject, not this book) is an odd beast: simultaneously one of the most niche and unknown subjects (how many people are even aware of it?), yet also arguably the most important subject of all as the answers we choose to its questions (again, often unaware of our choices) ultimately determine how we choose to get along or not get along with each other -- of more importance than ever in the age of Trump, Brexit, and so on.
