Working with Contracts provides you with the practical legal, business, and technical knowledge you need to grasp the nuts and bolts of transactions and draft customized agreements that meet clients' goals.

Life has become an endless series of contracts—this is the manual. There " s no reason to risk your hard-earned money signing a contract you don " t understand. With Contracts: The Essential Business Desk Reference, you get easy-to-understand explanations for every common contract term. In no time, you " ll grasp mysterious concepts like " force majeure, " " indemnity, " and " time is of the essence. " Contracts: The Essential Business Desk Reference is more than just an A – Z explanation of over 300 terms. It also includes: common negotiating strategies examples of contract provisions sample contract clauses and entire contracts examples of illegal and dangerous contract clauses what to expect if you or the other side breaks a contract up-to-date explanations of electronic contracts, and tips on amending and modifying agreements. Whether you " re starting a business, signing a lease, hiring a new employee or independent contractor, licensing a concept, selling a boat, or contracting for a new fireplace, Contracts: The Essential Business Desk Reference can help. A must-have for small business owners, entrepreneurs, lawyers, and law students—and anyone else whose success is built around understanding and negotiating agreements.

Any project which involves an EPC contract is also likely to involve a number of other complicated contracts. The challenge of the parties to an EPC contract is not to try to eliminate risk but rather put into place a narrative structure that enables the parties to predict the contractual result that would obtain if a risk materializes. If the EPC contract does not allow the parties to determine the consequences of an unanticipated situation, they will have to look to an expert, mediator, tribunal, or court to impart guidance or pass judgment. The sample forms of contract contained in Volume 2 of Understanding and Negotiating EPC Contracts are intended to serve as a guide to demonstrate how risks and responsibilities can be allocated among project sponsors, EPC contractors and the various other parties that may be involved in a project. Collectively the sample forms in this volume offer an extraordinary resource that provides the benefit of lessons learned and priceless insight into any project being undertaken which can help assure the resilience of any EPC project.

"Cases argued and determined in the Court of Appeals, Supreme and lower courts of record of New York State, with key number annotations." (varies)

A less-expensive grayscale paperback version is available. Search for ISBN 9781680923018. Business Law I Essentials is a brief introductory textbook designed to meet the scope and sequence requirements of courses on Business Law or the Legal Environment of Business. The concepts are presented in a streamlined manner, and cover the key concepts necessary to establish a strong foundation in the subject. The textbook follows a traditional approach to the study of business law. Each chapter contains learning objectives, explanatory narrative and concepts, references for further reading, and end-of-chapter questions. Business Law I Essentials may need to be supplemented with additional content, cases, or related materials, and is offered as a foundational resource that focuses on the baseline concepts, issues, and approaches.

We all encounter situations in life in business that require written contracts or agreements. Unfortunately, too many people sign them without really understanding what they mean; and many times people use contracts that do not solve all of the business issues (problems) that result from the goal of the contract. This is because they do not understand how to determine what those problems may be. On a basic level, we cannot solve a problem if we do not know what the problem(s) is/are. Written by business attorney and contracts and transactions professor of law, this book will show you everything you need to know to draft a contract, minimize your risk, protect your personal or business interests and create a win-win situation when drafting, negotiating, and signing contracts of any type for any transaction or deal. In this Episode, we explore the case of "The Home Addition that Never Adds Up", and I show you how the Rileys could have negotiated a better deal and reduced their risk of being railroaded by a realtor. By applying contract writing skills learned in my book entitled, "Contract Writing for Dummies", we will learn how to draft a real estate home purchase contract that adds value to the deal! Also included: Sample Real Estate Contracts and documents. Now, doesn't this all sound very exciting? Well, let's get started!
