A wounded soldier and a rector's daughter discover strange goings-on in their sleepy English village in this Regency-era mystery series opener. Major Robert Kurland has returned to the quiet vistas of Kurland St. Mary to recuperate from the horrors of Waterloo. However injured his body may be, his mind is as active as ever. Too active, perhaps. When he glimpses a shadowy figure from his bedroom window struggling with a heavy load, the tranquil façade of the village begins to loom sinister... Unable to forget the incident, Robert confides in his childhood friend, Miss Lucy Harrington. As the dutiful daughter of the widowed rector, following up on the major's suspicions offers a welcome diversion—but soon presents real danger. Someone is intent on stopping their investigation. And in a place where no one locks their doors, a series of thefts and the disappearance of two young serving girls demands explanation... As Robert grapples with his difficult recovery, he and Lucy try to unearth the dark truth lurking within the village shadows, and stop a killer waiting to strike again... Praise for Death Comes to the Village "[A] delightful debut...Readers will hope death returns soon to Kurland St. Mary."—Publishers Weekly (started review) "Lloyd combines a satisfying mystery with plenty of wit and character development."—Booklist

A trail of poison-pen letters lead to a dead teacher in this Regency-era mystery by the author of Death Comes to the Fair. Three years have passed since Major Sir Robert Kurland and Lucy Harrington, the rector's daughter, became husband and wife. Having established a measure of contentment among the local gentry, the couple lately have found an unsettling distance grown between them. But when the small-village peace is disrupted by an anonymous letter accusing Lucy of witchcraft, her as yet unfulfilled desire to be a mother becomes the least of her worries, especially after she learns she is not the only one to have received such a malicious letter. Speculation only escalates when the village schoolteacher, Miss Broomfield, is discovered murdered at her classroom desk. Was the unlikely teacher the letter writer, and if so, who killed her and why? Despite her husband's objections, Lucy offers to help out at the school until a replacement can be found, hoping the children might inadvertently reveal a clue, but by doing so she may be putting her own life at risk... Praise for Death Comes to the School "A romance of married life intertwined with a murder puzzle featuring a heroine suitable for a Jane Austen novel."—Kirkus Reviews "The liveliness of Lloyd's many secondary characters and the marital tensions arising from Lucy's fertility woes add richness to the well-plotted puzzle."—Publishers Weekly

Okonkwo is the greatest warrior alive, famous throughout West Africa. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. Chinua Achebe's stark novel reshaped both African and world literature. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in Arrow of God and No Longer at Ease.

Delighted by the quiet uproar of raising their newborn, Lady Lucy and Major Sir Robert Kurland could not be more pleased at the prospect of welcoming another into their home. But their preparations are soon overshadowed by a baffling case of murder... Once known to all in her village as the rector's daughter, Lucy is now a mother herself—to a wonderful eighteen-month-old son, Ned. Upon discovering that she is expecting a second child, Lucy and Robert are delighted. In anticipation of the new arrival, Lucy is set on expanding her nursery staff. When Agnes, her current nurse, recommends her cousin, it seems like the perfect solution. But trouble arrives along with the new nursery maid from London. Polly's flirtations provoke fisticuffs in the servants' hall and tumult in the village tavern, and on her afternoon off, she fails to return to the Kurland Estate. When a farmer finds her lifeless body in a drainage ditch, Lucy and Robert fear foul play. To their consternation, they learn their new nursery maid was not who they thought. As Lucy's sister Anna leaves the rectory and moves in to watch over Ned, the couple's search for the truth leads them to the London theater world, where aristocrats purchase their mistresses, and into danger. But the real threat strikes all too close to home...

A Library Reads Pick! The Blair Witch Project meets Midsommar in this brilliantly disturbing thriller from Camilla Sten, an electrifying new voice in suspense. Documentary filmmaker Alice Lindstedt has been obsessed with the vanishing residents of the old mining town, dubbed "The Lost Village," since she was a little girl. In 1959, her grandmother's entire family disappeared in this mysterious tragedy, and ever since, the unanswered questions surrounding the only two people who were left—a woman stoned to death in the town center and an abandoned newborn—have plagued her. She's gathered a small crew of friends in the remote village to make a film about what really happened. But there will be no turning back. Not long after they've set up camp, mysterious things begin to happen. Equipment is destroyed. People go missing. As doubt breeds fear and their very minds begin to crack, one thing becomes startlingly clear to Alice: They are not alone. They're looking for the truth... But what if it finds them first? As friends, the boisterous and brash American Beryl couldn't be less alike than the prim and proper British Edwina. But as sleuths in an England recovering from the Great War, they're the perfect match... 1920: Flying in the face of convention, legendary American adventuress Beryl Helliwell never fails to surprise and shock. The last thing her adoring public would expect is that she craves some peace and quiet. The humdrum hamlet of Walmesley Parva in the English countryside seems just the ticket. And, honestly, until America comes to its senses and repeals Prohibition, Beryl has no intention of returning stateside and subjecting herself to bathtub gin. For over three decades, Edwina Davenport has lived comfortably in Walmesley Parva, but the post-World War I bust has left her in dire financial straits and forced her to advertise for a lodger. When her long-lost school chum Beryl arrives on her doorstep—actually crashes into it in her red motorcar—Edwina welcomes her old friend as her new roommate. But her idyllic hometown has a hidden sinister side, and when the two friends are drawn in, they decide to set up shop as private inquiry agents, helping Edwina to make ends meet and satisfying Beryl's thirst for adventure. Now this odd couple will need to put their heads together to catch a killer—before this sleepy English village becomes their final resting place...

When her fellow charity shop volunteer, Gretchen Burkholt, turns up dead after leaving her numerous voicemails about some scandalous news she wanted to share, Annie Darling investigates with the aid of her husband Max.

Based on eye-witness accounts, Robert Pike's moving book vividly depicts the lives of the villagers who were caught up in the tragedy of Oradour-sur-Glane and brings their experiences to our attention for the first time 'Hanna Diamond, author of Fleeing Hitler On 10 June 1944, four days after Allied forces landed in Normandy, the picturesque village of Oradour-sur-Glane in the rural heart of France was destroyed by an armoured SS Panzer division. Six hundred and forty-three men, women and children were murdered in the nation's worst wartime atrocity. Today, Oradour is remembered as a 'martyred village' and its ruins preserved, but the stories of its inhabitants lie buried under the rubble of the intervening decades. Silent Village gathers the powerful testimonies of survivors in the first account of Oradour as it was both before the tragedy and in its aftermath. Why this peaceful community was chosen for extermination has remained a mystery. Putting aside contemporary hearsay, Nazi rhetoric and revisionist theories, Robert Pike returns to the archival evidence to narrate the tragedy as it truly happened – and give voice to the anguish of those left behind.

"I loved this novel truly, madly, deeply." —Nina George, bestselling author of The Book of Dreams and The Little Paris Bookshop In this international bestseller by the award-winning novelist Mariana Leky, a heartwarming story unfolds about a small town, a grandmother whose dreams foretell a coming death, and the young woman forever changed by these losses and her loving, endearingly oddball community On a beautiful spring day, a small village wakes up to an omen: Selma has dreamed of an okapi. Someone is about to die. Luisa, Selma's ten-year-old granddaughter, looks on as the predictable characters of her small world begin acting strangely. Though they claim not to be superstitious, each of her neighbors newly grapples with buried secrets and deferred decisions that have become urgent in the face of death. Luisa's mother struggles to decide whether to end her marriage. An old family friend, known only as the optician, tries to find the courage to tell Selma he loves her. Only sad Marlies remains unchanged, still moping around her house and cooking terrible food. But when the prophesied death finally comes, the circumstances fall outside anyone's expectations. The loss forever changes Luisa and shapes her for years to come, as she encounters life's great questions alongside her devoted friends, young and old. A story about the absurdity of life and death, a bittersweet portrait of small towns and the wider world that beckons beyond, this charmer of a novel is also a thoughtful meditation on the way loss and love shape not just a person but a community. Mariana Leky's What You Can See from Here is a moving tale of grief, first love, reluctant love, late love, and finding one's place in the world, even if that place is right where you stand.
