Westerbeke was founded in the United States in 1937 by John H. Westerbeke and from the start focused no developing diesel engines. In 1938, the company began investigating using Detroit Diesel 6-71 engines for marine use. In 1959, Westerbeke began marinizing the British Perkins engines. In 1990 Universal Diesel was bought by Westerbeke which now markets marine diesels under both Westerbeke and Universal brand names.
