Pearson Education Concepts And
Challenges Earth Science ...

This text works very well for my entry level ELL Earth Science Concepts class (9th & 10th grades). The writing is clear, main ideas are highlighted, key vocabulary, and content objectives are presented at the front of the lessons. The students have responded well to the subject matter. I highly recommend it.

Read Book Earth Science Globe Fearon Answer Key

This program introduces students to the basic concepts and principles of life, earth, and physical science and builds the fundamental science skills students of all ability levels need to succeed. The program is supported with expanded real-world activities, test preparation, and comprehensive reviews that help students make the important connections between science and their own lives. In addition, students are encouraged to apply newly learned concepts using hands-on discovery through lab exercises and enrichment activities. Lexile Level 750 Reading Level 3-4 Interest Level 6-12
