from. One day they were just there, hidden all over the earth like huge gemstones. Burn a pair and they make you a little better: an inch taller, skilled at math, better-looking. The rarer the sphere, the greater the improvement—and the more expensive the sphere. Sully is a sphere dealer at a flea market. It doesn't pay much—Alex Holliday's stores have muscled out most of the independent sellers—but it helps him and his mom make the rent. When Sully meets Hunter, a girl with a natural talent for finding spheres, the two start searching together. One day they find a Gold—a color no one has ever seen. There's no question the Gold is priceless, but what does it actually do? None of them is aware of it yet, but the fate of the world rests on this little golden orb. Because all the world fights over the spheres, but no one knows where they come from, what their powers are, or why they're here. PRAISE:

“ Burning Midnight is for (1) adrenaline junkies and gamers, (2) obsessive collectors, and (3) people who can't get enough of crazy endings. I'm all of these things, and I loved it. ” —Margaret Stohl, New York Times bestselling author of Black Widow: Forever Red and coauthor of the internationally bestselling Beautiful Creatures series

Plant the seeds of your future creations with this deluxe paperback journal. With premium quality, cream-colored, wood-free paper and a combination of lined and unlined pages, this journal is designed to be a sacred space for all facets of your self-expression. Deluxe paperback journal measure 7 x 9 1/4 with 220 pages.

The Sun's Coming Up â € ¦ Like a Big Bald Head: photographs by Norman Reedus is a new limited edition book restricted to 5000 copies worldwide, featuring photography by Norman Reedus, a multi-talented filmmaker, actor, cinematographer and photographer. This book brings together penetrating imagery of Reedus's journeys across Mexico, Cuba, Russia, and the United States in what proves to be a hauntingly intimate commentary on the seemingly mundane and grotesque. Each copy includes a signed print of one, in a collection of five, exclusively released photographs.

One of the world's most widely read gynecology texts for nearly 50 years, Speroff's Clinical Gynecologic Endocrinology and Infertility provides a complete explanation of the female endocrine system and offers practical guidance for evaluation and treatment of common disorders. In this fully revised ninth edition, the editorial and author team from Yale School of Medicine have assumed the reins of Dr. Speroff's landmark work, retaining the clear, concise writing style and illustrations that clarify and explain complex concepts. This classic text remains indispensable for students, residents, and clinicians working in reproductive endocrinology and infertility, bringing readers up to date with recent advances that have occurred in this fast-changing field.

Poetry. Art. IF REAL POWER BEGINS WHERE SECRECY BEGINS, THEN, AS WE FRANTICALLY SEARCH FOR DICK PICS OF JUSTIN BIEBER OR OUR NEXT DOOR NEIGHBOR WHO WE'RE CONVINCED POSTED THE FACELESS CRAIGSLIST AD SEEKING AN ASIAN BOTTOM, WE'RE SEDUCED INTO A BEAUTIFUL DISTRACTION IN WHICH WE ARE CONVINCED, BY VIRTUE OF OUR VICTORIOUS TOPPLING OF THE LIVES OF OTHERS, THAT WE INDEED HAVE NOTHING TO HIDE.

For the first time in paperback: The story of the legendary drummer whose beat created modern rock and roll.

After years of cowboying, Charles A. Siringo had settled down to store-keeping in Caldwell, Kansas, when a blind phrenologist, traveling through, took the measure of his "mule head" and told him that he was "cut out" for detective work. Thereupon, Siringo joined the Pinkerton National Detective Agency in 1886. *A Cowboy Detective* chronicles his twenty-two years as an undercover operative in wilder parts of the West, where he rode with the lawless, using more stratagems and guises than Sherlock Holmes to bring them to justice and escaping violent death more often than Dick Tracy. He survived the labor riots at Coeur d'Alene, Idaho, in 1892 (his testimony helped convict eighteen union leaders), hounded moonshiners in the Appalachians, and chased Butch Cassidy's Wild Bunch. Once described as "a small wiry man, cold and steady as a rock" and "born without fear," Charlie Siringo became a favorite of high-ups in the Pinkerton organization. Nevertheless, the Pinkertons, ever sensitive to criticism, went to court to block publication of Siringo's book. Frank Morn, in his introduction to this Bison Books edition, discusses the changes that resulted from two years of litigation. Finally published in 1912 without Pinkerton in the title or the text, *A Cowboy Detective* has Siringo working for the "Dickensen Detective Agency" and meeting up with the likes of "Tim Corn," whom every western buff will recognize. The deeper truth of Siringo's book remains. As J. Frank Dobie wrote, "His cowboys and gunmen were not of Hollywood and folklore. He was an honest reporter."

First published in 1936, *One Thousand Ways to Make \$1000* is the long out-of-print book that Warren Buffett's biographers credit with shaping the legendary investor's business acumen and giving him his trademark appreciation of compound interest. After pulling a copy of *One Thousand Ways* off a library shelf at age eleven and devouring F.C. Minaker's plucky and practical business advice, Buffett declared that he would be a millionaire by the time he was 35. Written in the immediate, conversational style of Dale Carnegie's *How to Win Friends and Influence People*, this book is full of inventive ideas on how to make money through excellent salesmanship, hard work, and resourcefulness. While some of the ideas may seem quaint today-goat dairying, manufacturing motor-driven chairs, and renting out billiard tables to local establishments are among the money-making ideas presented- the underlying fundamentals of business explained in these pages remain as solid as they were over seventy years ago. Covering a wide spectrum of topics including investing, marketing, merchandising, sales, customer relations, and raising money for charity, *One Thousand Ways to Make \$1000* is both a durable, classic business book and a fascinating portrait of determined entrepreneurship in Depression-era America. Every effort has been made to reproduce the content exactly as it was originally presented.
