~~Sense isn't~~ Sense isn't as reliable as you think it is, because it often fails us in helping to make predictions, and how you can change the way you or your company make decisions with more scientific, statistically grounded methods.

~~Everything Is Obvious Summary— Four Minute Books~~

If you think the answers to these questions are a matter of common sense, think again. As sociologist and network science pioneer Duncan Watts explains in this provocative book, the explanations that we give for the outcomes that we observe in life-explanations that seem obvious once we know the answer—are less useful than they seem.
