THE INSTANT NEW YORK TIMES BESTSELLER. From Kahran and Regis Bethencourt, the dynamite husband and wife duo behind CreativeSoul Photography, comes GLORY, a photography book that shatters the conventional standards of beauty for Black children. Featuring a foreword by Amanda Seales With stunning images of natural hair and gorgeous, inventive visual storytelling, GLORY puts Black beauty front and center with more than 100 breathtaking photographs and a collection of powerful essays about the children. At its heart, it is a recognition and celebration of the versatility and innate beauty of black hair, and black beauty. The glorious coffee-table book pays homage to the story of our royal past, celebrates the glory of the here and now, and even dares to forecast the future. It brings to life past, present, and future visions of black culture and showcases the power and beauty of recognizing and celebrating oneself. Beauty as an expression of who you are is power. When we define our own standards of beauty, we take back that power. GLORY encourages children around the world to feel that power and harness it.

Glory is a two-hundred volume long song and poem of praise and worship to God and to the saving grace of Jesus Christ, it is for praise and thankfulness, for gratefulness and our complete adoration for the King of Heaven, the creator of our souls. May we always praise Him and give thanks here and now and in Heaven within eternity. God inspires me to write every day, I try to write whenever I can, He has put on my heart that I should do whatever I can to write and praise Him in my writings, these writings are no my own but God's, He has done all the inspiring and given me the strength and life to write what I have, he gives my fingers the strength to go on and write more and express my soul and heart, he is life. Let us continue to be inspired by Him every day and be encouraged through His word of life, the Bible, let us continue to read and express the love that is within the Bible, the truth and mercy and compassion, the forgiveness and justice.

Selected from sermons delivered by C. S. Lewis during World War II, these nine addresses offer guidance and inspiration in a time of great doubt.These are ardent and lucid sermons that provide a compassionate vision of Christianity.

First published in 1943, this autobiography is also a superb portrait of America's Depression years, by the folk singer, activist, and man who saw it all. Woody Guthrie was born in Oklahoma and traveled this whole country over—not by jet or motorcycle, but by boxcar, thumb, and foot. During the journey of discovery that was his life, he composed and sang words and music that have become a national heritage. His songs, however, are but part of his legacy. Behind him Woody Guthrie left a remarkable autobiography that vividly brings to life both his vibrant personality and a vision of America we cannot afford to let die. “Even readers who never heard Woody or his songs will understand the current esteem in which he’s held after reading just a few pages... Always shockingly immediate and real, as if Woody were telling it out loud.. A book to make novelists and sociologists jealous.” –The Nation

Experience the near-death phenomenon that has stunned thousands of readers. These true visionary accounts include the miracles of the millennium, the return of the Ten Tribes, the building of the New Jerusalem and temple, and many other astonishing events long prophesied in scripture but never before described in such vivid detail. In this new edition, you'll also find an in-depth interview between late author John Pontius and Spencer--the man who witnessed it all.

"This book is a masterpiece. It captures the essence of the Tuskegee Airmen's experience from the perspective of one who lived it. The action sequences make me feel I'm back in the cockpit of my P-51C 'Kitten'! If you want to know what it was like fighting German interceptors in European skies while winning equal opportunity at home, be sure to read this book!" –Colonel Charles E. McGee, USAF (ret.) former president, Tuskegee Airmen Inc.
“All Americans owe Harry Stewart Jr. and his fellow airmen a huge debt for defending our country during World War II. In addition, they have inspired generations of African American youth to follow their dreams.” –Henry Louis Gates Jr., Alphonse Fletcher University Professor, Harvard University
He had to sit in a segregated rail car on the journey to Army basic training in Mississippi in 1943. But two years later, the twenty-year-old African American from New York was at the controls of a P-51, prowling for Luftwaffe aircraft at five thousand feet over the Austrian countryside. By the end of World War II, he had done something that nobody could take away from him: He had become an American hero. This is the remarkable true story of Lt. Col. Harry Stewart Jr., one of the last surviving Tuskegee Airmen pilots who experienced air combat during World War II. Award-winning aviation writer Philip Handleman recreates the harrowing action and heart-pounding drama of Stewart’s combat missions, including the legendary mission in which Stewart downed three enemy fighters. Soaring to Glory also reveals the cruel injustices Stewart and his fellow Tuskegee Airmen faced during their wartime service and upon return home after the war. Stewart’s heroism was not celebrated as it should have been in postwar America—but now, his boundless courage and determination will never be forgotten.

A portrait of the German pastor-theologian draws on new research to cover the 1930 visit to America that shaped his perspectives on faith and moral responsibility, his achievements as an anti-Nazi activist and the plot against Hitler that would result in his execution. 35,000 first printing.

A Mississippi town in 1964 gets riled when tempers flare at the segregated public pool. As much as Gloria June Hemphill, or Glory as everyone knows her, wants to turn twelve, there are times when Glory wishes she could turn back the clock a year. Jesslyn, her sister and former confidante, no longer has the time of day for her now that she'll be entering high school. Then there's her best friend, Frankie. Things have always been so easy with Frankie, and now suddenly they aren't. Maybe it's the new girl from the North that's got everyone out of sorts. Or maybe it's the debate about whether or not the town should keep the segregated public pool open. Augusta Scattergood has drawn on real-life events to create a memorable novel about family, friendship, and choices that aren't always easy.
