A young forensics investigator finds his worldview turned upside down when a bizarre religious triple homicide introduces him to the Rulers, godlike beings who have ruled humanity since the dawn of time. From writer PAUL JENKINS (SPAWN: RESURRECTION, The Inhumans, Marvel Knights: Sentry) and artist HENDRY PRASETYA (Mighty Morphin Power Rangers), GOD COMPLEX: DOGMA is a unique spin on ancient mythology with a focus on one man's journey of faith. Collects GOD COMPLEX #1-6

A young forensics investigator finds his worldview turned upside down, when a bizarre religious triple-homicide introduces him to the Rulers, godlike beings who have ruled humanity since the dawn of time. From writer PAUL JENKINS (The Inhumans, Marvel Knights: Sentry) and artist HENDRY PRASETYA (Mighty Morphin Power Rangers), GodComplex: [Dogma] is a unique spin on ancient mythology with a focus on one man's journey of faith. Collects issues #1-6.

As Seneca investigates an attack by the church on the digital alter-realm known as the Stream, his world is turned upside down by the emergence of the resistance a group sworn to oppose the sinister Rulers and all they stand for. And when tragedy strikes, Seneca is forced to enter the wiretapped world of the Fates, who use predictive analytics to foresee his ultimate fate!

Confronted on one side by revolutionaries and coerced into service by the Rulers on the other Seneca walks the digital city of Delphi in search of clues. But when the leads dry up, he is forced into visiting the one place he had sworn he would never return to: the Church of the Trinity, the very place he is investigating. There is no one to trust. There is nowhere to escape. There is nothing for him but the upheaval of all he has ever known.

Seneca awakens into his new existence as an augmented human, only to find it is a life of pain and mental anguish. He has lost everything he once held dear, his nerve endings are on fire, and perhaps he has become a puppet of the Gods. But salvation beckons in the form of the nagging voice inside his head that leads him ever closer to finding the Trinity. He will have to go to the catacombs beneath the city in order to find an answer to the greatest secret of all Mankind.

It's the moment of truth. After his confrontation with the revolutionaries, Seneca is getting rebuilt by the Rulers in a desperate measure to find the missing God, Trinity. He is now more powerful and closer to Trinity than ever, but it also costs him more than he's willing to pay.

Cartoonist Osamu Tezuka (1928-1989) is the single most important figure in Japanese post-World War II comics. During his four-decade career, Tezuka published more than 150,000 pages of comics, produced animation films, wrote essays and short fiction, and earned a Ph.D. in medicine. Along with creating the character Astro Boy (Mighty Atom in Japan), he is best known for establishing story comics as the mainstream genre in the Japanese comic book industry, creating narratives with cinematic flow and complex characters. This style influenced all subsequent Japanese output. God of Comics chronicles Tezuka's life and works, placing his creations both in the cultural climate and in the history of Japanese comics. The book emphasizes Tezuka's use of intertextuality. His works are filled with quotations from other texts and cultural products, such as film, theater, opera, and literature. Often, these quoted texts and images bring with them a world of meanings, enriching the narrative. Tezuka also used stock characters and recurrent visual jokes as a way of creating a coherent world that encompasses all of his works. God of Comics includes close analysis of Tezuka's lesser-known works, many of which have never been translated into English. It offers one of the first in-depth studies of Tezuka's oeuvre to be published in English.

The world is full of hidden magic, monsters, and gods! Paul is an everyday guy. Well, he's really the god Apollo (no, really!), and he's in hiding. Against great odds, Paul will battle monsters and demi-gods - and he'll even go to Hades and back to protect his mortal family! You'll see why being Paul's friend is dangerous... and being Paul is complex... Collects God Complex #1-7.

In a near future, a sprawling megalopolis sees the rise of "Boneheads," parkour gangs that use neuro-linked helmets to augment their abilities and live for the thrill of physical risk. As a gang war threatens to tear the city apart, a mysterious Bonehead rises—a man with no past that might be the key to saving the city's future. From writer BRYAN HILL (POSTAL) and artist RHOALD MARCELLIUS (Marvel: Contest of Champions) comes a story about technological and human revolution. Collects BONEHEAD #1-4

A Scarecrow Warrior God walks into a bar...and proceeds to drag a modern American city into a ten-thousand-year-old grudge-match! A bizarre new adventure—complete with boozehound shamans, monster queens, and a football-fetching hydra! Featuring an extended sketchbook section and a few surprises! Collects RUMBLE #1-5.
