The Internet has transformed the way people research, shop, conduct business, and communicate. But the Internet and technologies that enable online interaction and access to a variety of content can be a perilous place for minors 8-18. This book shares the risks of the Internet by detailing recent, real-world tragedies and revealing some of the secrets of online activities. Filled with practical advice and recommendations, it provides a pragmatic approach to help parents and teachers protect children against the threats of going online.

whom to distrust, what to believe, what to doubt, what to fear, and what not to fear. In this empowering book, Gavin de Becker, the nation's leading expert on predicting violent behavior and author of the monumental bestseller *The Gift of Fear*, offers practical new steps to enhance children's safety at every age level, giving you the tools you need to allow your kids freedom without losing sleep yourself. With daring and compassion, he shatters the widely held myths about danger and safety and helps parents find some certainty about life's highest-stakes questions: How can I know a baby-sitter won't turn out to be someone who harms my child? (see page 103) What should I ask child-care professionals when I interview them? (see page 137) What's the best way to prepare my child for walking to school alone? (see page 91) How can my child be safer at school? (see page 175) How can I spot sexual predators? (see page 148)

statistic, which when understood, can help parents save children from sexual abuse. How knowing three simple facts can cut the chance of children being abused by 50% is explained, as is how to stop bullying dead in its beginning tracks. Children's self-defense issues and what type of people to be wary of and to stay clear of, is covered. "Protect Your Kids!" helps parents and caretakers understand what they must do to help save their kids and also how they can teach their children to stay clear, and handle the perverts and predators who look for children to use and abuse.
