The novel, Into The Storm, by Taylor Anderson, is the first in a long series called Destroyermen. My husband and I bought all the books they had there at our bookstore and took them home. Other books in the series actually have descriptions of these two species on their back covers, so I'm not giving too much away by describing them.

Into the Storm is the first volume in what appears to be a long series. There is nothing deep about it, but the writing, while nothing remarkable, was straightforward serviceable storytelling with brave men (and Lemurians) fighting a vile foe, and a lot of naval tactics, resource management, and inter-species diplomacy.
