**Hi, I am having some speed problems with my Linksys WRT54G5 Wireless-G Broadband Router. At first, the Router was connected directly to my computer giving me full speed (allowing me to download up to 1.7mbps)until we had to change the Router to the other room and it reduced our internet speed in about 1/10. The router at the other room is connected to the Comcast Modem, to a PC, and to a ...**
