Introduce your students to management using the classic theory, current research, student-friendly presentation, and memorable examples in Griffin's MANAGEMENT -- the book that has already helped almost two million students prepare for successful business careers. This powerful, leading text combines traditional management coverage with well-known, careful examination of today's emerging management topics. The new 10th edition of MANAGEMENT now examines the latest on organizational justice and negotiation as well as the impact of the 2008-2009 economic recession and global warming on business. The book's well-organized, inviting approach organized around the functions of management helps students strengthen their management skills with an effective balance of theory and practice as well as numerous proven learning features. Students continue to study the growing service sector, ethics, global management and the impact of technology on management as they examine challenges today's managers face. Hundreds of well-researched popular examples -- from large establishments, such as Coca-Cola, to emerging companies such as Google and Facebook -- bring concepts to

Fundamentals of Management, 4/e, an abridged version of Management, 8/e, provides up-to-date coverage to key functional areas (planning, organizing, leading, and controlling) plus new research and examples, all in a brief format. From respected author Ricky Griffin, this skills-based text gives instructors the flexibility to integrate their own cases, exercises, and projects while continuing to provide them with a strong theoretical framework. New! Each

chapter also contains either a Technology Toolkit, Business of Ethics, or Today's Management Issues boxed feature. These are intended to briefly depart from the flow of the chapter to highlight or extend especially interesting or emerging points and issues relating to new technology and its role in management or ethical issues and questions facing managers today. New! Test Preppers, located at the end of every chapter, prompt students with true/false and multiple-choice quizzes to gauge their retention and comprehension of chapter material. The answers are found at the end of the text. New! HM e-Study Student CD-ROM is carefully tailored to supplement and enhance the content of the text, including ACE self-tests, selected videos, chapter outlines, company web links, a glossary, flashcards, learning objectives, ready notes, self-assessment exercises, and chapter summaries. The CD-ROM is free with the text. Knowledgebank Icon in the text refers students to the new Knowledgebank feature on the HM e-Study CD. Here they can find additional information about particular topics in the text. It can also be used to find further management knowledge or for a research project, and it can be found only on HM e-Study CD ROM. Building Management Skills exercises appear throughout the text and are organized around the set of basic management skills introduced in Chapter 1. The Skills Self-Assessment Instrument helps readers

learn something about their own approach to management. Finally, an Experiential Exercise provides additional action-oriented learning opportunities, usually for group settings. Pedagogical features that support learning are features throughout the text. In addition to the end-of-the-chapter exercises, every chapter includes important learning objectives, a chapter outline, an opening incident, boldface key terms, a summary of key points, questions for review, questions for analysis, and an end-of-the-chapter case with questions. Eduspace, a flexible, powerful, and customizable e-learning platform, provides instructors with text-specific online courses and content for Management, 4/e, Eduspace permits the instructor to create part or all of their course online using the widely recognized tools of Blackboard and quality text-specific content of Houghton Mifflin (HMCo). Instructors can quickly and easily assign homework exercises, quizzes and tests, tutorials and supplementary study materials. Pre-loaded material can be modified, or instructors can add their own.

Master the process of management with the skills-based, functional approach in Griffin's MANAGEMENT, 13E. Timely content focuses on active planning, leading, organizing and controlling as you examine emerging management topics and the latest trends. New discussions explore the impact of
