The title of the book – “Many Mansions” – refers to John 14, “In my Father’s house are many mansions”, implying the existence of more lives and a spiritual continuity. Cerminara analyses the healings that Cayce describes under hypnosis which are clear indications of how events in a previous life are the cause of problems in this life.

In "Many Mansions: The Edgar Cayce Story on Reincarnation" Gina Cerminara explains the law of karma as illustrated by the "life readings" that Edgar Cayce gave to a great number of people seeking, in most cases, an explanation for their suffering. This book has furthered my understanding of how the law of karma operates.

~~Amazon.com: Customer reviews: Many Mansions: The Edgar ...~~

Many Mansions begins with the story of Edgar Cayce, one of the most carefully documented and widely publicized psychics in the history of parapsychological research. Approaching the companion subjects of reincarnation and karma, two of the oldest beliefs in the history of man and more widely accepted than almost any religious concepts known to man, Dr. Cerminara examines the data in terms of depth psychology.

In this study of one of America's greatest psychics, Edgar Cayce, Gina Cerminara explores the "magnificent possibility" of reincarnation as not only a method to understand our existence, but the truth of it. Using Cayce's detailed and expansive files that span decades of his research and practice in the field of psychic phenomena, Cerminara delves into the essential essence of reincarnation and its purpose. Told winningly and to the heart of the matter, Many Mansions will be a revelation to a many and a confirmation to some about the meaning of human life and the myriad of opportunities afforded to us by the existence of reincarnation.

Taking up from where she left off Many Mansions, the author pursues the philosophical aspects of reincarnation evidenced in the life readings of world-renowned psychic, Edgar Cayce, as well as data derived from experiments to determine whether human memory can be taken back to a period before birth. She touches on some of the people who have believed in reincarnation-among them, Plato, Virgil, Emerson, Whitman and Edison. The implications of reincarnation for art, psychology, and religion are considered. And she notes, in conclusion, the hope and promise reincarnation holds for our troubled world. This is an important, heartening book, as interesting and credible as it is inspiring. Lucid, concrete, consistent, it will help individuals understand themselves and their destiny. And to skeptics or believers, it offers a brave, fresh concept of the meaning of life. Book jacket.

This collection of case studies, taken from the files of the late clairvoyant Edgar Cayce, explores the concept of reincarnation in terms of the beliefs of Christianity.

A new edition of the landmark, worldwide bestseller on the life of the famed medical clairvoyant and founding father of the New Age: Edgar Cayce. Edgar Cayce (1877-1945) is known to millions today as the grandfather of the New Age. A medical clairvoyant, psychic, and Christian mystic, Cayce provided medical, psychological, and spiritual advice to thousands of people who swore by the effectiveness of his trance-based readings. But Cayce was not always a household name. When a young, skeptical journalist named Thomas Sugrue first met Cayce in 1927 the world had not yet heard of the "sleeping prophet." During years of unique access, Sugrue completed his landmark biography, which on its publication in 1942 brought national attention to Cayce and stands as the sole record written during the seer's lifetime. This edition includes a new introduction by historian Mitch Horowitz that highlights the enduring significance of Cayce's message and the role this book played in its dissemination.

Learn how reincarnation occurs and how the karma associated with it can be resolved. Must reading for all who want to understand why their life is the way it is!
