My last service at 40,000 miles the Mazda service department recommends a transmission flush at 50,000 miles. The cost for the service is \$250. The owners manual maintenance scheduler makes no mention of the transmission. Mazda online site says for Skyactiv vehicles, the transmission does not need service unless there is a failure of some sort.

Since 1974, Mazda has offered five distinct manual transmission gear cases. While the bell housing-to-rear side housing bolt pattern is the same on all five configurations, and the input shaft pilot bearing is the same on all five model configurations, caution must be exercised when swapping transmissions between various year engines - the starter motor "pilot" diameter in the bell housing did change several times.
