My System (German: Mein System) is a book on chess theory written by Aron Nimzowitsch. Originally over a series of five brochures from 1925 to 1927, the book—one of the early works on hypermodernism—introduced many new concepts to followers of the modern school of thought. It is generally considered to be one of the most important books in the history of chess.

Nimzowitsch is also a highly-regarded chess writer, most famously for the 1925 classic *My System*, to this day regarded as one of the most important chess books of all time. Other books include *Chess Praxis*, which further expounds the hypermodern idea, and the seminal work *The Blockade*, which explores the strategy implied by his famous maxim, "First restrain, then
