There's nothing more dangerous than a familiar face . . . As funeral mourners stand in silence at Ragmullin cemetery, a deafening cry cuts through the air. Lying crumpled at the bottom of an open grave is the bloodied body of a young woman, and Detective Lottie Parker is called in to investigate. Knowing the body can't have been there long, Lottie wonders if it could be Elizabeth Bryne, a young woman who vanished without trace just days earlier. And with a new boss who seems to have it in for her, Lottie is under pressure to solve both cases quickly. As two more women go missing from Ragmullin, Lottie and her team fear there is a serial killer on the loose. And the disappearances are strikingly similar to a cold case from ten years earlier. Could history be repeating itself? As journalists begin to interfere with Lottie's investigation, she fears the killer is about to strike again. Lottie is in a race against time to find the missing women, but the killer is closer than she thinks. Could Lottie be his next target? If you love Helen Field, Karin Slaughter and Rachel Abbott, you'll love the latest pulse-pounding thriller from Patricia Gibney. No Safe Place will keep you guessing until the very last page.

In the high-stakes, high-pressure world of presidential politics, where predators carry microphones and one misstep can savage a lifetime of achievement, Kerry Kilcannon is the rarest player of all. Kilcannon believes he can make the system work. And he just may die trying. Driven by the violent nightmare of his childhood, fueled by forces that few could understand, and burdened by secrets no one must know, Kilcannon is running for President—and entering the crucial battleground of California with seven days to go. But for Kilcannon, there are hurdles that his courage, charisma, and compassion may not overcome: the network correspondent he still loves; the reporter bent on their exposure; the rival who ' ll do anything to win; and the fanatic who believes that he must murder Kilcannon to protect the right to life. . . .

' She lifted the flap of the envelope and pulled out the single white page. As she opened it up she stared, open mouthed. Four words were typed on the page. I am watching you. ' When Amy Whyte and Penny Brogan leave a local nightclub in the early hours of Sunday morning and don ' t arrive home, their families are beside themselves with worry. Chillingly, both girls are clutching silver coins in their hands – what message is this killer leaving behind? All the signs point to Conor but his alibi is water tight. As Lottie examines Penny and Amy ' s final days alive in a desperate search for clues, two more girls are found stabbed to death in a luxury apartment complex. Caught up in what is fast becoming her toughest case yet, Lottie is unaware that somebody is watching her every move. Then Lottie ' s two daughters, Katie and Chloe suddenly disappear from the town centre. Terrified that the killer has her girls, the stakes have never been higher for Lottie. But as Lottie puts everything on the line to find her daughters and solve the case, she ' s about to find herself in terrible danger – someone has a personal axe to grind with her and they know the best way to get to her is to hurt the ones she loves the most. Readers are loving Final Betrayal: ' Another absolutely riveting, gut gripping and unputdownable book from Patricia Gibney!! Had this read in record time!! From start to finish it was brilliant!! Literally can't wait for the next one and the outcome for Lottie and Boyd!!!! ' Goodreads Reviewer, 5 stars ' A dark and gripping read...There are so many heart stopping moments that had me hold my breath. I was carried along by the authors writing, making assumptions along the way. Lets just say nil points to me as I totally got it wrong. Final Betrayal is a story that is guaranteed to set your pulse racing. I was totally hooked and enjoyed being part of this thrilling journey that I was taken on alongside Lottie whose character I really enjoyed. Without a doubt I will be going back and reading the rest of the books in the series as this just ticked all the boxes for what I look for in a crime series. ' Bythelletterbookreviews, 5 stars ' I adore Lottie Parker ... go pick up the latest release by this fabulous author. Patricia Gibney is the best!!!! ' Goodreads Reviewer, 5 stars ' Well I am now a fan of Lottie Parker !! This is my first book in the series but I am off to buy the rest ! Final Betrayal is a page turning, twists and turns book. So many dead bodies. I can tell you that if I am missing or in trouble , it's Lottie Parker and her team of detectives I want on my side ...Can't wait to read more of Lottie's exploits! ' Goodreads Reviewer, 5 stars ' An epic, compelling story ...I look forward to getting reacquainted with DI Lottie Parker every time a new book comes out, and I ' m yet to be disappointed. In fact, every time one comes out, I make the same mistake of picking it up and starting, not realising I ' m going to get very little done until I ' ve finished it. Yes, it happened again, I read this book over two days, well I did have to stop to sleep. ' Nigel Adams Bookworm, 5 stars
