The One-Year Plan. If you want to organize your home according to a one-year plan, begin with the current month and work through the year. Capture your goals on a collaged dream board, but don't worry about being artistic. Cut out and paste up magazine pictures that represent how you want your house to look.

professional organizer, and Wild, a financial adviser, apply Leeds's Zen Organizing philosophy to replace financial mayhem with method through digestible weekly steps over the course of one year. The authors begin by guiding readers through an emotional audit of their history with money, ridding their work spaces of clutter, and organizing key financial documents.
