Set in an alternate Europe where bloody conflicts rage, the third book of the Crown of Stars epic fantasy series continues the world-shaking conflict for the survival of humanity It is a crucial time in the war-torn kingdoms of Wendar and Varre, a moment when even one wrong decision can tilt the balance of events into total disaster. For Sanglant—King Henry’s son—and Liath—the woman he loves—the offer of both a haven from their enemies and the chance for Liath to study the ancient lore with those who claim her as their own, seems like the answer they have been seeking. But no place can truly be safe for them. Both their lives and their love will be at risk when they are forced to choose which pathway each will follow—lured by the equally strong demands of politics, forbidden knowledge, and family. Liath, born with a dangerous power beyond her control, is torn between her longing for Sanglant and the child they are about to have and the call of sorcery, which can open the way into the land of the Aoi, the Lost Ones. And even as Liath struggles with magic’s seductive spell, Sanglant’s Aoi mother returns to the mortal world, seeking the son she abandoned as a babe. As the fates of kingdoms shift with the changing fortunes of those caught up in the dangers of both civil war and continuing attacks by the nonhuman Eika and the Quman invaders, time is running out for Liath, Sanglant, King Henry, and the people of Wendar and Varre. For the time of cataclysm is fast approaching—and no one can foretell who will survive—or rule—when it is over....

"With wit and sharp insight, the authors of THE TRADE OFF provide a behind-the-scenes peek at the Machiavellian world of a luxury Manhattan store, its executives, designers, clerks—and demanding socialite customers. Told in the knowing voice of the store's ambitious shopping salon director, THE TRADE OFF is a fast-paced, entertaining read." —Dr. Joyce Brown, President of Fashion Institute of Technology Go behind the window displays. Behind the racks. Two personal shoppers for Manhattan's biggest department stores have written a wildly dishy novel that goes behind the dressing rooms of New York's fashion elite. At Franke!'s New York, the wives of billionaires and Hollywood celebrities sip champagne while stylists and tailors cater to every whim. And one person has made it her career to help these Amex-wielding shoppers create the perfect look. Bonnie Salerno Madden knows all of her client's preferences, whims, and fantasies. She knows the price they paid to gain access to the salon where having Bonnie as their private shopper is a first-class ticket to being the toast of the New York high-fashion social scene. But while Bonnie is all elegance on the outside, she's barely keeping it together on the inside. A single mom to a special needs child, she needs her high-pressure job to care for her family. And when that job is put in jeopardy, Bonnie will need to make some of the riskiest choices of her life to guarantee a better future for her son, and for herself. With the opportunity to live in her own fairy tale, will Bonnie have what it takes to make the trade off? "THE TRADE OFF is a riveting page-turner even for a non-shopper like me. The ultimate tale of New York life."—David Patrick Columbia, newyorksocialdiary.com
