Home | Predictable Revenue

Predictable Revenue by Aaron Ross and Marylou Tyler is a great book1 for anyone looking to build out a sales team. The authors come from extensive experience in the high tech selling world but their advice can be useful for any industry. The book is based on the authors' experience of having to create an outbound sales team from scratch.

Predictable Revenue: Turn Your Business Into a Sales ...

Predictable revenue focuses on having the process documented so that every sales rep can follow the same process without any confusion. Formulating a successful sales strategy Predictive revenue technique while proven to be effective is not going to be a panacea for all your sales woes.

How To Nail The Predictable Revenue Model And Transform ...

Fundamentally, Predictable Revenue is a framework to create consistency year-over-year and provide business growth based on a formulaic process - not last-minute hustling and guessing. That way, you're "predicting" how much "revenue" your business is constantly generating. To achieve predictable revenue, Aaron and Marylou say you must:

What Is Predictable Revenue? And 5 Other Sales Terms Defined

Aaron offers a variety of advice to help executives put the Predictable Revenue into action: Focus on the customer rather than the product: Executives should spend 25% of their time together with (customer-in) customers, to know what you do for them, rather than how you can do. Constant follow-up: Choose 3 to 5 sales indicators and track them.

12 Minutes Summary of Predictable Revenue by Aaron Ross

Aaron and his team made a revenue stream above \$100MM in recurring revenue and helped to double the enterprise's growth. The thesis is simple. It would help if you had a sales machine generating high-quality leads that create predictable revenue. Think of having a faucet turned on so that water (leads) were always flowing to sales.
