Tallulah's Toe Shoes by Marilyn Singer, Alexandra Boiger ...

Tallulah's Tutu Singer and illustrations by Alexandra Boiger is a picture book for ages four through eight years old. It is about a little girl that wants to be a ballerina but quits her class because she will not get a tutu as soon as she wants.

Tallulah takes ballet lessons and eagerly awaits her coveted tutu, which, she learns, she must work hard to earn.

Tallulah just knew she could be a great ballerina, if only she had a tutu. So she starts ballet class. When she does not receive a tutu, she quits. But everywhere she goes, things keep reminding her of ballet. Her neighbor's basset hound always stands in second position. The kitchen clock performs perfect ronds de jambe. And Tallulah can't seem to stop doing ballet, either. A park bench makes a perfect barre, and what better way to pet the dog than with a graceful pli  ? This well-told, funny story with a smart new character will satisfy girls' cravings for pretty and pink, but also shows that ballet is about more than just the tutu.

Tallulah is thrilled to play a mouse in a professional production of The Nutcracker and works very hard to be the most marvelous mouse of all, but opening night brings some surprises.

Tallulah is certain she will have a solo in her dance school's upcoming performance of The Frog Prince. After all, she is now an excellent ballerina. And she's proud that her little brother, Beckett, has started taking ballet too, even though he spends most of his time goofing off. But then Tallulah gets an unexpected surprise . . . and not the good kind. What's a ballerina to do when everything does not go as planned? Ballet and sibling rivalry meet head-on in this fabulous follow-up to Tallulah's Tutu.

Tallulah heads out into a winter wonderland to go ice skating and finds out that having fun is sometimes more important than being the best, in this new, snowy addition to the popular Tallulah series. Tallulah is an accomplished ballerina, but she also loves to skate. After all, skating's a lot like ballet—challenging, graceful, and glamorous. Tallulah is positive that with some hard work, she and her friend Kacie will be just as good on the ice as they are at dance. They'll be Super Skaters! But Kacie doesn't want to rehearse fancy moves; she wants to have fun. So Tallulah practices by herself. That is, until an encounter with a talented boy, which ends with an embarrassing mishap. Then Tallulah begins to realize that sometimes having fun is more important than being the best, a needed message for today's goal-oriented, busy kids.
