purpose: to prevent time travel destroying history . . . In 1993 British computer hacker Adam Lewis finds his name in a coded manuscript that is almost one thousand years old. How did Adam's name get in there . . . and why? Confronted by Adam in 2001, the TimeRiders travel back to Sherwood Forest in 1193 to discover the origins of the ancient message. But when a strange hooded man appears interested in the same thing, they begin to wonder what terrible threat this cryptic link from the past holds for the future . . .

Liam O'Connor, Maddy Carter, and Sal Vikram all should have died. But instead, they have been given a second chance-to work for an agency that no one knows exists. The TimeRiders' mission: to prevent time travel from destroying history-and the future. . . . When Maddy mistakenly opens a time window where and when she shouldn't, Liam is marooned sixty-five million years in the past, in the hunting ground of a deadly, and until now undiscovered, species of prehistoric predator. Can Liam make contact with Maddy and Sal before he's hunted down by dinosaurs, and without changing history so much that the world is overtaken by a terrifying new reality? The second book in the thrilling TimeRiders series is just as fast-paced, intelligent, and mind-bending as the first.

Maddy should have died in a plane crash. Liam should have died at sea when the Titanic sank. Sal should have died in a tragic fire. But a mysterious man whisked them away to safety. Maddy, Liam, and Sal quickly learn that time travel is no

longer just a hope for the future; it is a dangerous reality. And they weren't just rescued from their terrible fates. . . they were recruited for the agency of TimeRiders created to protect the world from those seeking to alter the course of history for personal gain. By reliving the highly documented events in New York City on 9/11, they can closely monitor history for any deviations-large or small. When just such a change is detected, they are alerted that a threat is at hand unleashing the evil of the Nazis to wreak havoc with Earth's present and future. Can Maddy, Liam, and Sal fulfill their destinies as keepers of time to save the world from utter destruction? An exhilarating adventure that shifts readers back in time to Nazi Germany and then forward into an ever-changing present. Look out for the other books in this series: Day of the Predator and The Doomsday Code!
