The House of Hunger is as much a product of being down and out sleeping rough, being beaten up by thugs and policeman alike and struggling with alcoholism, as it is of the Rhodesia it describes.... The 'hunger' of the book's title does not refer only to the literal starvation which was ravaging post-independent Zimbabwe at the time.

The House of Hunger is painful to read, painful to ponder, and I found it brought my own experience of childhood homelessness to the front of my mind. In this book, Dambudzo stood in his experience, acted out his life in it, and foists it upon the reader. It's a tour-de-force of the author's indelible trauma and subsequent mental illness.
