father is dead. Her only solace comes from playing the viola Papa gave her, but it is soon sold to provide food for the family. Desolate, she seeks help from her godfather, Franz Joseph Haydn.

### The Musician's Daughter - Historical Novel Society

The Musicians Daughter by Susanne Dunlap takes readers on an exciting journey throughout eighteenth century Hungary through the eyes of Theresa Maria, a young girl whose family was caught by surprise by her father's sudden murder. Told in first person point of view, the heroine's story is packed with action and adventure but also has a touch of romance.

### The Musicians Daughter | Page by Page

Theresa's family is shocked when their violinist father is brought home dead. His death brings the family's fortunes in peril. While Theresa's mother plans to use a wealthy uncle to find a husband for Theresa, she has other plans and is able to make some money by working for Haydn, helping him with writing his compositions as his eyesight fails.

### The Musicians Daughter

Daughter are an English indie folk trio. Fronted by North London native Elena Tonra, the band was formed in 2010 after the addition of Swiss guitarist Igor Haefeli and drummer Remi Aguilera from France. They have released four EPs and three albums, and are currently signed to Glassnote and 4AD. After playing the local London circuit, they toured supporting Ben Howard around Europe and have since played headlining tours around North America, Europe and Australia.

love for someone who is as deeply involved in the mystery as she is.

1940, San Francisco. Ray Sherwood has arrived in town on tour with the Jack Donovan Orchestra and plenty of bad memories. But in meeting two women on the same day Ray is shaken out of his stupor. One wants his help in orchestrating her avant-garde composition, the other will plunge to her death just moments after speaking to him.

An electrifying novel about the meteoric rise of an iconic interracial rock duo in the 1970s, their sensational breakup, and the dark secrets unearthed when they try to reunite decades later for one last tour. A GOOD MORNING AMERICA BUZZ PICK NAMED A BEST BOOK OF 2021 BY BARACK OBAMA \* THE WASHINGTON POST \* NPR \* ESQUIRE \* ENTERTAINMENT WEEKLY \* GOODREADS \* THE MILLIONS \* READER'S DIGEST \* PHILADELPHIA INQUIRER \* EERIE READER \* PUBLIC RADIO TULSA \* CHICAGO PUBLIC LIBRARY \* KIRKUS REVIEWS "Feels truer and more mesmerizing than some true stories. It's a packed time capsule that doubles as a stick of dynamite." —THE NEW YORK TIMES BOOK REVIEW Opal is a fiercely independent young woman pushing against the grain in her style and attitude, Afro-punk before that term existed. Coming of age in Detroit, she can't imagine settling for a 9-to-5 job—despite her unusual looks, Opal believes she can be a star. So when the aspiring British singer/songwriter Neville Charles discovers her at a bar's amateur night, she takes him up on his offer to make rock music together for the fledgling Rivington Records. In early seventies New York City, just as she's finding her niche as part of a flamboyant and funky creative scene, a rival band signed to her label brandishes a Confederate flag at a promotional concert. Opal's bold protest and the violence that ensues set off a chain of events that will not only change the lives of those she loves, but also be a deadly reminder that repercussions are always harsher for women, especially black women, who dare to speak their truth. Decades later, as Opal considers a 2016 reunion with Nev, music journalist S. Sunny Shelton seizes the chance to curate an oral history about her idols. Sunny thought she knew most of the stories leading up to the cult duo's most politicized chapter. But as her interviews dig deeper, a nasty new allegation from an unexpected source threatens to blow up everything. Provocative and chilling, *The Final Revival of Opal & Nev* features a backup chorus of unforgettable voices, a heroine the likes of which we've not seen in storytelling, and a daring structure, and introduces a bold new voice in contemporary fiction.

For Anastasia Romanov, life as the privileged daughter of Russia's last tsar is about to be torn apart by the bloodshed of revolution. Ousted from the imperial palace when the Bolsheviks seize control of the government, Anastasia and her family are exiled to Siberia. But even while the rebels debate the family's future and the threat to their lives grows more menacing, romance blooms between Anastasia and Sasha, a sympathetic young guard she has known since childhood. But will the strength of their love be enough to save Anastasia from a violent death? Inspired by the mysteries that have long surrounded the last days of the Romanov family, Susanne Dunlap's new novel is a haunting vision of the life-and love story-of Russia's last princess.

Apparently, false rumors about Marie Antoinette are all the fashion in 1783. Marie Antoinette is facing hostility from the populace, inflamed by rumors circulated in pamphlets throughout Paris. The rumors claim that she has dozens of lovers, drinks the blood of poor people, holds satanic masses at Versailles, and more, when nothing could be further from the truth. On the advice of the handsome, enigmatic Captain von Bauer, Joseph II-emperor of

Austria and Marie Antoinette's brother-decides that mystery-solving violinist Theresa Schurman is the ideal candidate for a spy to discover the source of these vile slanders. Theresa is only too glad to get away from Vienna for a while, unwilling to commit herself yet to marrying Zoltan—a Hungarian baron she met when she was fifteen—and running out of reasons to postpone her decision. She is eager, too, to explore a new musical scene and broaden her artistic education. But when the captain confounds her expectations and places her as a bookkeeper in the establishment of Rose Bertin, milliner to the queen, she begins to lose hope that she will ever achieve her musical aims—or the emperor's goal of exposing the pamphleteers. A chance encounter with the Chevalier de Saint-Georges, an extraordinary black violinist and expert swordsman, sets Theresa on the path to unraveling the mystery. But will the chevalier's patron, the powerful duc de Chartres, confound her efforts and put her—and the captain's—lives in danger? Be prepared for music, mystery, love, and murder in this riveting tale of pre-revolutionary Paris.

Daughter of the Forest is a testimony to an incredible author's talent, a first novel and the beginning of a trilogy like no other: a mixture of history and fantasy, myth and magic, legend and love. Lord Colum of Sevenwaters is blessed with six sons: Liam, a natural leader; Diarmid, with his passion for adventure; twins Cormack and Conor, each with a different calling; rebellious Finbar, grown old before his time by his gift of the Sight; and the young, compassionate Padriac. But it is Sorcha, the seventh child and only daughter, who alone is destined to defend her family and protect her land from the Britons and the clan known as Northwoods. For her father has been bewitched, and her brothers bound by a spell that only Sorcha can lift. To reclaim the lives of her brothers, Sorcha leaves the only safe place she has ever known, and embarks on a journey filled with pain, loss, and terror. When she is kidnapped by enemy forces and taken to a foreign land, it seems that there will be no way for her to break the spell that condemns all that she loves. But magic knows no boundaries, and Sorcha will have to choose between the life she has always known and a love that comes only once. Juliet Marillier is a rare talent, a writer who can imbue her characters and her story with such warmth, such heart, that no reader can come away from her work untouched. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

"She was like a storm." —Leonard Cohen  
Joni Mitchell may be the most influential female recording artist and composer of the late twentieth century. In *Reckless Daughter*, the music critic David Yaffe tells the remarkable, heart-wrenching story of how the blond girl with the guitar became a superstar of folk music in the 1960s, a key figure in the Laurel Canyon music scene of the 1970s, and the songwriter who spoke resonantly to, and for, audiences across the country. A Canadian prairie girl, a free-spirited artist, Mitchell never wanted to be a pop star. She was nothing more than “a painter derailed by circumstances,” she would explain. And yet, she went on to become a talented self-taught musician and a brilliant bandleader, releasing album after album, each distinctly experimental, challenging, and revealing. Her lyrics captivated listeners with their perceptive language and naked emotion, born out of Mitchell’s life, loves, complaints, and prophecies. As an artist whose work deftly balances narrative and musical complexity, she has been admired by such legendary lyricists as Bob Dylan and Leonard Cohen and beloved by such groundbreaking jazz musicians as Jaco Pastorius, Wayne Shorter, and Herbie Hancock. Her hits—from “Big Yellow Taxi” to “Both Sides, Now” to “A Case of You”—endure as timeless favorites, and her influence on the generations of singer-songwriters who would follow her, from her devoted fan Prince to Björk, is undeniable. In this intimate biography, drawing on dozens of unprecedented in-person interviews with Mitchell, her childhood friends, and a cast of famous characters, Yaffe reveals the backstory behind the famous songs—from Mitchell’s youth in Canada, her bout with polio at age nine, and her early marriage and the child she gave up for adoption, through the love

affairs that inspired masterpieces, and up to the present—and shows us why Mitchell has so enthralled her listeners, her lovers, and her friends. Reckless Daughter is the story of an artist and an era that have left an indelible mark on American music.

Sixteen-year-old Molly Fraser works as a nurse with Florence Nightingale during the Crimean War to earn a salary to help her family survive in nineteenth-century England.
