Decision

Synopsis. "The New Economic
Diplomacy" explains how states
conduct their external economic
relations in the 21st century: how they
make decisions domestically; how they

Access Free The New Economic Diplomacy

negotiate internationally; and how these processes interact. It documents the transformation of economic diplomacy in the 1990s and early 2000s in response to the end of the Cold War, the advance of globalisation and the growing influence of non-state actors like private business and civil
