The Red Book: A Deliciously Unorthodox Approach to ...

With the Red Book I am highly impressed. One major benefit (in my opinion...) is that it is not primarily Buddhist in focus. Buddhism seems to be the latest spiritual path to become mainstream and adulterated into a multitude of flavors, styles and depths to satisfy even the most superficial of palates.

The Red Book (Paperback) – Walmart.com – Walmart.com

The Red Delicious was first called the Hawkeye, and Jesse Hiatt found it growing on his farm in Peru, Iowa, around 1870. "It came up as a seedling in his orchard," says Charlotte Shelton, the owner of Albemarle Ciderworks and Vintage Virginia Apples. "He dug it up, but it kept coming up. He was Quaker, and he thought that because of its ...

This Is Why Red Delicious Apples Suck So Hard | HuffPost Life

The Red Book Quotes Showing 1-9 of 9 "See, sexuality is less about the actual act of having pretty good sex for seventeen minutes twice a week and much more about surrounding yourself with an ever simmering sensual energy, pulsing just underneath your daily life and infusing almost everything you do.

The Red Book Quotes by Sera Beak – Goodreads

While I hate to give anything by Kiernan less than three stars, and while Red Delicious has the potential to be a funny, great book, the author kind of seems to hate what she's writing. There's a lot of jobs at paranormal romance as a genre, and at the romanticification of vampires and werewolves, two very valid points.

Red Delicious (Siobhan Quinn, #2) by Kathleen Tierney

That's not to say that the Red Delicious is entirely bad. It's a parent of varieties like the Empire, which is one of the top 10 sellers in the U.S., and the Fuji, which may very well be the most popular variety in the world. "Outside of the United States, everyone knows that we live on Planet Fuji," Jacobsen writes.

The Red Book is nothing less than a spiritual fire starter -- a combustible cocktail of Hindu Tantra and Zen Buddhism, Rumi and Carl Jung, goddesses and psychics, shaken with cosmic nudges, meaningful subway rides, haircuts, relationships, sex, dreams, and intuition. Author Sera Beak's unique hybrid perspective, hilarious personal anecdotes, and invaluable exercises encourage her readers to live more consciously so they can start making clearer choices across the board, from careers to relationships, politics to pop culture and everything in between. For smart, gutsy, spiritually curious women whose colorful and complicated lives aren't reflected in most spirituality books, The Red Book is an open invitation to find your true self and start sharing that delicious truth with the world.

A follow-up to Blood Oranges finds half-vampire, half-werewolf Siobhan struggling to navigate complicated underground politics while investigating the disappearance of a prominent necromancer's daughter and a struggle between competitors for a powerful ancient artifact. Original. 30,000 first printing.

When one person dares to speak her truth, it challenges us all to live our own. With Red Hot and Holy, Sera Beak offers a provocative and intimate view of what it means to get up close and personal with the divine in modern times. With a rare combination of audacious wit, scholarly acumen, and tender vulnerability--vibrantly mixed with red wine, rock songs, tattoos, and erotic encounters--Sera candidly chronicles the highs and lows of her mystical journey. From the innocence of her childhood crush on God; through a whirlwind of torrid liaisons and bitter break-ups with Christianity, Buddhism, Sufism, Hinduism, and the New Age; and finally into committed monogamy with her own Red Hot and Holy Goddess, Sera shares transformative insights, encouraging us all to trust our unique path and ignite our own spiritual love affair. Sera Beak's luscious writing and renegade spiritual wisdom that slices through religious and new age dogma made her debut book The Red Book a breakout success. With Red Hot and Holy she offers a far more personal book--an illuminating, hilarious, and above all utterly honest portrait of the heart-opening process of mystical realization. This hot and holy book invites you to embrace your soul, unleash your true Self, and burn, baby, burn with divine love. Except As a child, I was madly in love with God. Gaga for God. In grade school, I used to write "I (heart) God" at the top of all my homework assignments and in the margins of the notes I passed to my girlfriends about which boys we thought were cute. Next to The Little Princess, a children's bible was kept on my bedside table for nightly reading. Miracles? Prophetic dreams? Angels? Healing the sick? Sign me up for those gigs! And every Thursday I believed J.C. dropped by my bedroom so I could ask him personal questions and tell him which sister was annoying me the most. I was magnetized to rosaries, prayers, and pyramids the way other kids were to doughnuts, MTV and the Cabbage Patch Kids, and every time I saw a religious figure (priest, nun, Buddhist monk, Hare Krishna) out in public, it would take an enormous amount of willpower not to stalk them. When Career Days at school would come around, my questionnaire would look a little something like this: Favorite subject? God Favorite hobby? God What do you want to be when you grow up? God (Okay, there was a brief time when I was six years old when the answer to that last question was "an albino." I thought albinism would make me glow in the dark.) When I was a child, God was not a belief of a magical Santa Claus type. He was as real as my heart. I felt Him (inside me). I recognized Him (everywhere). I knew Him (personally). We hung out together, and I never wanted our rendezvous to stop. I only wanted us to draw closer. I assumed I was experiencing what many Catholics refer to as "the call" to be a priest, so I matter-of-factly informed my parish priests and Sunday school teachers of my future vocation. They laughed, patted my head, and told me I couldn't have heard the call to be a priest because I had a vagina. Okay, they didn't say that last part, but believe me, it was implied. They did tell me that only men were allowed to be priests because Jesus only had male disciples (to which Mary Magdalene juts out her left hip and slaps her round cheek with The Gospel of Mary Magdalene). But, of course, I could always be a nun.

Author's Summary Sharing your truth with the world is rarely easy, especially when it contradicts history and a major world religion. But truth, much like love, can't stay buried forever. Redvelations is my story of remembering and reclaiming Sarah, the forgotten daughter of Jesus and Mary Magdalene, as the lost part of my own soul. If your eyebrows have raised, I understand. Your doubts and disbelief are well-warranted, and you're welcome to interpret my story however you wish. What's more important than believing in my soul's reality is believing in your soul's reality. Above all else, this book champions the importance of recovering and embodying the lost parts of your soul so you can become fully human, wildly alive, and contribute to the well-being of this planet. I hope my soul's journey reminds you to trust your unique journey, cherish the entire human experience, and share your soul's truth--no matter what others think. This book is an unorthodox offering, a fiery reminder, and a living testament. But most of all, Redvelations is my heart smashed onto pages. Handle with care. Publisher's Summary In her remarkable spiritual memoir Red Hot & Holy (Sounds True, 2013), Sera Beak told the story of how she lost and found her soul as a modern woman. With Redvelations, Sera ventures further down the soul path, revealing her unorthodox experiences of the daughter of Jesus and Mary Magdalene and the undeniable power of the soul that this forgotten figure brings to life. By transparently sharing her soul's journey, Sera illuminates our common struggles in an uncommon way and explores one of the most profound spiritual mysteries: Why do souls incarnate? Why does something that is perfect and whole choose to enter an imperfect world where it can be wounded, shattered, and betrayed? As Sera reveals, our souls choose the adventure of embodiment so we may learn about the strength that can only come from vulnerability, the love that can only grow in the presence of heartbreak, and the achingly beautiful gift of being fully human.

Inside this book: The dirtiest words in the English language! And we're not just talking about those infamous seven words you can't say on TV. We're talking about more than 1,000 of the blessedly profane insults, obscenities, and vulgarities that make English the richest--and raunchiest--language on earth. In The Little Red Book of Very Dirty Words, you'll find the dirtiest of the dirty, along with the most deliciously obscene variations from English-speaking countries around the world. So go ahead, call your ex/boss/landlord a barmy, crop-dusting, kickin', crackin', bloody son-of-a-bitch dickwad. Swear. Loudly. You'll be friggin' glad you did. Because with this nastiest of nasty wordbooks, you'll find talking dirty has never been more fun--or more filthy!

As LA's hottest up-and-coming chef, Alexa Montoya is known for her ruby red lipstick and her history of falling for the wrong kind of men. When a confrontation with a loser ex-boyfriend lands her in some legal trouble, she's forced to call lawyer, Dante Perez, to bail her out...again. Only this time, Dante seems different, somehow. More assertive, more sexy, more...irresistible. Dante is tired of seeing Alexa with guys who only break her heart. He's watched her--and waited for her--long enough. His plan? He'll seduce her into finally believing that there's something deliciously right between them. But first, he'll have to prove to her that he's not just another of her fly-by-night boyfriends. Luckily, Dante already has a plan. After all, every good lawyer knows that sometimes it takes an unconventional approach to win the day...and the girl! Each book in the Delicious Desires series is a standalone story that can be enjoyed out of order. Series Order: Book #1 Delicious Temptation Book #2 Delicious Complication Book #3 Delicious Satisfaction

I could save him, but he would ruin me. The beast. The creature who stalks the forbidden wood. The dragon prince. He has suffered a fate worse than death. We all have. A curse put upon us by the mad king. We are a kingdom locked in time. Shifters unable to feel our animals. Stuck here by a deal between the late king and a demon who seeks our destruction. The only one keeping this kingdom alive is Nyfain, the golden prince to a stolen throne. The last dragon shifter. He's our hope. He's my nightmare. When he catches me trespassing in the forbidden wood, he doesn't punish me with death as he's entitled. He would me, instead. Forces me back to the castle as his prisoner. Seeks to use me. Apparently I can save him. I can save the whole forgotten kingdom, locked away by the demon king's power. But it would mean taming the monster beneath his skin. It would mean giving myself to him. It would mean my ruin. _ _ _ _ _ This is a dark and sexy Beauty and the Beast retelling featuring a strong heroine, a dangerous anti-hero, and a humorous supporting cast. It is a full length novel at 80k words and suitable for 18+. This is the beginning of a trilogy and ends on a cliffhanger.

What happens after a lifetime of spiritual exploration when you realize that who you are cannot fit into any traditional religion or the new age? Your heart breaks open and your truth bursts out. This is Sera Beak's Red Hot and Holy--a provocative, uproarious, and profoundly intimate spiritual memoir of one woman's heretical romance with the divine. Red Hot and Holy is both a memoir and a spiritual fire starter. With a rare combination of audacious wit, scholarly acumen, and self-help motivation, Sera offers us a front-row seat on her mystical journey--sharing hard-won transformative insights and renegade spiritual wisdom while enthusiastically encouraging us all to trust our unique path and ignite our own spiritual love affair .Here is a singular book that is both a radically honest self-portrait and an inspiring call to action--a hot and holy invitation to embrace your soul, unleash your true Self, and burn, baby, burn with divine love.

When the little red hen is busy growing wheat, cutting it, and making bread, all of the barnyard animals refuse to help because they are lazy, but become very interested in the finished product.

"Followed by a wolf, a huntsman, and a porridge-sampling nuisance called Goldie, Red embarks on a quest to find a magical cure for her ailing grandmother."--
