Scout gives voice to every social circle in Maycomb through her story, as the little witness who sees all the comings and goings in the town. Together with Jem, she is her father's watcher, inspiring Atticus Finch to commit all his greatest efforts to the Tom Robinson case, so he can show his children what it means to fight a losing battle. Calpurnia Virginia Tate is eleven years old in 1899 when she wonders why the yellow grasshoppers in her Texas backyard are so much bigger than the green ones. With a little help from her notoriously cantankerous grandfather, an avid naturalist, she figures out that the green grasshoppers are easier to see against the yellow grass, so they are eaten before they can get any larger. As Callie explores the natural world around her, she develops a close relationship with her grandfather, navigates the dangers of living with six brothers, and comes up against just what it means to be a girl at the turn of the century. Debut author Jacqueline Kelly deftly brings Callie and her family to life, capturing a year of growing up with unique sensitivity and a wry wit. The Evolution of Calpurnia Tate is a 2010 Newbery Honor Book and the winner of the 2010 Bank Street - Josette Frank Award.
